National and State Level Regulatory Requirements Specific to Pharmacy Benefit Management

State: Arizona

Last Updated: 09/29/2026

Applicable Rule(s)

A.R.S. § 20-3333 establishes the statutory certificate of authority, operational, renewal, and regulatory oversight requirements for Pharmacy Benefit Managers operating in the State of Arizona. Under A.R.S. § 20-3333(A), a Pharmacy Benefit Manager must apply for, obtain, and maintain a valid Certificate of Authority to operate as a Pharmacy Benefit Manager in Arizona.

Pursuant to A.R.S. § 20-3333, the Arizona Department of Insurance and Financial Institutions (DIFI) is responsible for administering the PBM Certificate of Authority requirement. A PBM must submit the required application and fee and provide the organizational, management, good-standing, operational, and compliance information required by the statute.

Compliance Statement

The Pharmacy Benefit Manager has obtained and maintains the required Arizona Pharmacy Benefit Manager Certificate of Authority pursuant to A.R.S. § 20-3333. The Pharmacy Benefit Manager maintains verifiable records and monitors applicable Arizona regulatory requirements imposed by the Arizona Department of Insurance and Financial Institutions. The Pharmacy Benefit Manager maintains appropriate compliance documentation and records necessary to demonstrate continued adherence to A.R.S. § 20-3333.
