PBM Regulations by State

National and State Level Regulatory Requirements Specific to Pharmacy Benefit Management

State: Louisiana

Last Updated: 09/30/2026

Applicable Rule(s)

La. R.S. § 40:2865 and La. R.S. § 37:1256 establish the statutory licensing and permitting requirements applicable to Pharmacy Benefit Managers operating in Louisiana. These provisions require a Pharmacy Benefit Manager conducting business in Louisiana or providing pharmacy benefit management services to obtain and maintain the applicable PBM license or permit and authorize the Louisiana Board of Pharmacy to issue the required PBM permit.

Compliance Statement

The Pharmacy Benefit Manager has obtained and maintains the required Louisiana Pharmacy Benefit Manager license/permit pursuant to La. R.S. § 40:2865 and La. R.S. § 37:1256. The Pharmacy Benefit Manager maintains verifiable documentation evidencing its active Louisiana PBM license and permit and monitors applicable statutory requirements governing the continued operation of its pharmacy benefit management services in Louisiana. The Pharmacy Benefit Manager maintains records sufficient to demonstrate continued compliance with the applicable Louisiana PBM licensing and permitting requirements.
