National and State Level Regulatory Requirements Specific to Pharmacy Benefit Management

State: North Dakota
Last Updated: 11/09/2026

Applicable Rule(s)

N.D.C.C. § 26.1-27.1-02, enacted under North Dakota's pharmacy benefits manager laws, governs the comprehensive licensure and statutory oversight of Pharmacy Benefit Managers operating in the State of North Dakota. The statute dictates that an individual or business entity may not perform acts, operate, or do business as a PBM in North Dakota without holding a valid, nontransferable license issued by the North Dakota Insurance Commissioner.

Compliance Statement

The Pharmacy Benefit Manager maintains the required North Dakota Pharmacy Benefits Manager license pursuant to N.D.C.C. § 26.1-27.1-02 and preserves active standing. The organization ensures continuous corporate and regulatory compliance operating in saccordance with North Dakota's absolute prohibitions, requirements, pharmacy network opt-in/opt-out mandates, and unfair marketplace business practices.
