National and State Level Regulatory Requirements Specific to Pharmacy Benefit Management

State: South Carolina

Last Updated: 09/29/2026

Applicable Rule(s)

S.C. Code Ann. § 38-71-2210 provides that a person or organization may not establish or operate as a Pharmacy Benefit Manager in South Carolina for health benefit plans without first obtaining a license from the Director of the South Carolina Department of Insurance.

Compliance Statement

The Pharmacy Benefit Manager has obtained and maintains the required South Carolina Pharmacy Benefit Manager license pursuant to S.C. Code Ann. § 38-71-2210 and applicable South Carolina PBM regulations. The Pharmacy Benefit Manager maintains verifiable records supporting its active South Carolina PBM license and monitors applicable licensing, renewal, reporting, and regulatory requirements established by the South Carolina Department of Insurance. The Pharmacy Benefit Manager operates in South Carolina in accordance with the requirements applicable to licensed Pharmacy Benefit Managers and maintains documentation sufficient to demonstrate continued compliance with S.C. Code Ann. § 38-71-2210.
