PBM Regulations by State

National and State Level Regulatory Requirements Specific to Pharmacy Benefit Management

State: West Virginia
Last Updated: 11/09/2026

Applicable Rule(s)

W. Va. Code § 33-51-8, enacted under the West Virginia Pharmacy Audit Integrity Act, governs the licensure, operational parameters, and oversight of Pharmacy Benefit Managers operating in the State of West Virginia. The statute highlights that a person or organization may not perform acts, act, or do business as a PBM in West Virginia without a valid, nontransferable license issued by the West Virginia Insurance Commissioner.

Compliance Statement

The Pharmacy Benefit Manager maintains the required West Virginia Pharmacy Benefit Manager license pursuant to W. Va. Code § 33-51-8 and maintains the license in active standing. The organization ensures ongoing regulatory compliance and operations that satisfy West Virginia's network adequacy standards.
