PBM Regulations by State

National and State Level Regulatory Requirements Specific to Pharmacy Benefit Management

State: Delaware

Last Updated: 10/21/2026

Applicable Rule(s)

18 Del. C. § 3331A, enacted under Chapter 33A of the Delaware Insurance Code and operationalized through 18 Del. Admin. Code § 1411, governs the registration and oversight of Pharmacy Benefit Managers operating in the State of Delaware. The statute indicates that no person or entity may act as or hold itself out to be a PBM in Delaware without a valid registration certificate issued by the Delaware Department of Insurance.

Compliance Statement

The Pharmacy Benefit Manager maintains the required Delaware Pharmacy Benefit Manager registration pursuant to 18 Del. C. § 3331A and maintains the certificate through the applicable annual renewal process. The organization ensures continued alignment with Delaware Department of Insurance requirements by maintaining standard, compliant contract templates and provider manuals, filing mandatory annual network adequacy reports, submitting quarterly rebate data, and executing administrative processes that strictly adhere to Delaware's prohibitions.
