PBM Regulations by State

National and State Level Regulatory Requirements Specific to Pharmacy Benefit Management

State: Florida

Last Updated: 07/27/2026

Applicable Rule(s)

Florida Statute 626.8828

Establishes the authority of the Florida Office of Insurance Regulation (OIR) to investigate and conduct examinations of pharmacy benefit managers (PBMs) to evaluate compliance with applicable Florida PBM laws and regulatory requirements. The statute provides OIR oversight authority, including review of PBM business operations, records, and compliance with applicable statutory requirements.

Florida requires pharmacy benefit managers operating within the state to comply with applicable regulatory oversight requirements, including examinations and reviews conducted by the Florida Office of Insurance Regulation.

Compliance Statement

PBM Market Conduct Examination and Regulatory Compliance

Applicable Florida PBM examination requirements pursuant to Florida Statutes 626.8828 are completed and under review. The company continues to comply with applicable Florida PBM regulatory requirements and examination obligations established by the Florida Office of Insurance Regulation.
